With Congressman Gary Ackerman, I lunched Tuesday, October 5, 2010 at [Ben's Best](#) as [Diners, Drive-Ins & Dives](#) taped a [segment](#) at Jay Parker's Rego Park deli. Above see me (note my [Gotham](#) pin on my lapel) with fellow Hofstra Law '81 grad Jerry Scharfman following our interview by “triple D” host *Guy Fieri* (to my right sitting at the next table where he interviewed Anthony Lemma and Jackie Hsieh). If either Grandma Min or Grandma Jean were alive I'd face the music because I admitted Jay's stuffed cabbage exceeded the sumptuous fare of two excellent cooks. (Thank you to my friend Rafe Lieber for the photo.)
