

# GreenNetworking

Please join us on Tuesday Nov. 22. Bring friends and associates. Meet new partners and referral sources who are "Green" minded people and run businesses concerned with sustainability. Builders, architects, engineers, consultants, designers and anyone else who offers products and services that help businesses and citizens meet current and upcoming "greener" requirements and guidelines, save money, become LEED certified, and/or use products in their operation and lives that are sustainable.

**WILDWOOD  
BARBEQUE**
