THE GUY R. BREWER UNITED DEMOCRATIC CLUB ENDORSES COMRIE FOR STATE SENATE

QUEENS, NY (May 21, 2014)—The Guy R. Brewer United Democratic Club (GRB), today, endorsed Leroy Comrie for State Senate of the 14th Senatorial District. The Club is a major stop for any candidate seeking statewide and citywide office; it is one of the most prominent political organizations in the City of New York.

Comrie served three terms in the New York City Council with distinction, he was Deputy Majority Leader and Chair of the Queens Council delegation and in 2013 he was appointed Queens Deputy Borough President under Melinda Katz, where he now serves as a Special Assistant.

“Since his days as a key member of my City Council staff—in which he rose through the ranks—from managing my office, to serving as a community school board member and president, to his days in the city council and now as deputy borough president, I’ve known Leroy to be a hard-working, honest public servant,” said Guy R Brewer United Democratic Club Executive Leader and Democratic District Leader Archie Spigner.

“We are proud to endorse Leroy Comrie, and both myself, District Leader Leslie Spigner, the officers and board members of the Guy R. Brewer United Democratic Club look forward to helping him win this election,” Spigner concluded.

“I am honored and humbled that GRB has decided to endorse my candidacy for State Senate and I am going to do everything I can to earn the support of every major influencer in the 14th senatorial district as I am going to work hard to earn the respect of every voter during this campaign,” said Comrie.

The 14th State Senate District includes all and parts of Cambria Heights, Forest Hills, Hillcrest Hollis, Rosedale, Jamaica, Kew Garden, Kew Gardens Hills Queens Village, Springfield Garden and St. Albans.
