The unanimous vote took place September 25, 2019 during the ATU International Convention. Under Mark's leadership, the local union membership has begun its transition of reeducating the next generation of new members.

The Local 1056 new headquarters on Union Turnpike in Bayside offers labor not only a new outpost in northeast Queens but enable the local to better serve members who work in or from depots in Flushing, Jamaica and Queens Village.

Throughout his career in organized labor, Henry worked in coalition with other labor leaders to effect change, protect and enhance members' benefits, maintain traditional work assignments and empower members.

He was a key member of a leadership team that forged collaborations with other transit unions, management, transit advocates and politicians to effect improvements in public transit.

Mark has received many certificates and commendations for his achievements in organized labor, workers' rights and community affairs. In 2017, City and State Magazine recognized Mark as one of New York's top 100 Labor leaders.

Mark studied Psychology at City College-CUNY and Labor Studies at ATU International – Tommy Douglass Center (formerly known as the National Labor College) in Silver Springs, Maryland.
