About Leroy Comrie.

*For over thirty years, as a community leader, Council Member and Deputy Borough President Leroy Comrie has worked to make our communities a better, safer place in which to live for working people and their families, our youth and our seniors.

*As Deputy Majority Leader of the City Council, Leroy Comrie worked to pass balanced City Budgets with no property or other tax increases while protecting essential services. He was a leader in eliminating the City's sales tax on clothing under \$110.

*As Chair of the Queens City Council Delegation and a member of the Council's budget negotiating team, he made sure City budgets included funds for improvements in our neighborhoods to meet the needs of working families, our youth and our seniors.

*He has secured over \$100 million in City budgets to improve our schools. This includes the construction and rehabilitation of schools to reduce class sizes, and for new computers and science labs.

*Leroy Comrie made sure our firehouses were not closed. He worked with the police department to have surveillance cameras installed in high crime "hot spots."

*As Deputy Borough President, Leroy Comrie works closely with Borough President Melinda Katz to continue getting results for us.

*In Albany, Leroy Comrie will not only restore integrity to Senate District 14, but work to strengthen our schools, identify needed infrastructure, transportation and community improvements, and foster economic growth and pass legislation to improve the lot of working families, our seniors and our youth.
