

We need a Council Member who will put people first. Vote Al Kanu #1 - a breath of fresh air we need for Southeast Queens.

Margaret Denson worked with Al-Hassan Kanu in the City Council offices of Leroy Comrie and I. Daneek Miller. She saw first hand how he fights for us: "Bring Al a housing issue, he knows where to get help. Al knows how to resolve traffic safety concerns; he's helped get countless stop signs and speed bumps installed. He'll get up in the middle of the night to assist with public safety and police matters. He'll work late nights in the district, and be early in the office the next day. Al Kanu will be a Council Member who works for his constituents – us – morning, evening, noon and night. I'm voting for Al Kanu because I see his work for us firsthand. Please join me in voting for Al-Hassan Kanu #1 on June 22. Get to know Al:"

Al-Hassan Kanu comes from a family of public servants. At York College, Al's fellow students elected Al president of the United Students Assoc. His CUNY leadership role connected Al with then City Council Deputy Majority Leader now State Senator Leroy Comrie. Al started as an intern and worked his way to serve as Comrie's Director of Community Affairs. When Comrie's term got limited in 2013, Al joined Council Member Miller's staff as District Director. Al also served as Queens Liaison for Public Advocate Jumaane Williams. Now at Southern Queens Parks Association, Al works closely with Executive Director Jacqueline Boyce to run its programs and operations. At SQPA, Al oversees vital recreational and healthy living programs for our seniors, working families, and our youth.

"Only Al-Hassan Kanu brings the experience, knowledge and commitment to deliver for us at City Hall and in the community."
