## MAKING OUR COMMUNITY A BETTER PLACE EVERY DAY

### MAKING OUR COMMUTES BETTER

The Freedom Ticket makes LIRR affordable & allows free transfers to buses & subways. A new Jamaica depot improves bus service. Vans must be safe & legal.

### KEEPING FAMILIES IN THEIR HOMES & HOUSING AFFORDABLE

2000 new affordable units allow our families & youth to stay in the community. Our Mortgage Buyback Program kept 40 families in their homes.

### FLOODING RELIEF ON THE WAY

\$1.5 billion for new sewers in Southeast Queens will bring overdue relief from flooding for homes, businesses and streets.

### BETTER SCHOOLS FOR OUR CHILDREN

Introduced Universal Pre-K and invested millions for our schools – more technology, mobile science labs & laptops; new classrooms, bathroom renovations; & adaptive play equipment for special-needs students.

### CHANGING THE LIVES OF WORKING FAMILIES

Paid Sick Leave, Parental Leave for Public Employees; protections for building service, school custodial, grocery & fast food workers; school bus drivers; strengthened civil service; pay equity for women; & fighting to secure collective bargaining.
