**RE-ELECT DEMOCRAT
I. DANEEK MILLER
NYC COUNCIL MEMBER**

VOTE TUESDAY SEPTEMBER 12

Dear Friend,

I ask for your **vote to re-elect me to the New York City Council**. Please let me share a little about the great progress our community has seen over the past four years:

- We delivered expanded Pre-K for All and millions of dollars for our local schools including new classrooms, auditoriums, laptops, mobile science labs, smart boards & playgrounds.
- We created a pilot Freedom Ticket that will lower LIRR fares in Southeast Queens and provide a free transfer to buses & subways.
- We are building 2,000 units of affordable housing in District 27.
- Our first-in-the-nation 'Mortgage Buyback Program' and our Foreclosure Prevention Initiative kept hundreds of Southeast Queens families in their homes.
- We passed paid sick leave, paid family leave for city workers, employment protections for several laborers, and condemned hate and Islamophobia.
- We made our communities safer through investments in technology, 1,200 more police officers, and improved police-community relations.
- We went from no municipal union contracts when I took office to 99% of labor reaching agreements with firefighters, teachers, school workers and more.

I ask for your vote to **continue the four years of progress our community has made**. It has been my privilege to serve you. Let's continue to work together to build a better future. I hope that I can count on your continued support.

Thank you for your consideration.

Sincerely,

I. Daneek Miller Democrat
